About Us

Dank is a well-known and distinguished chain of restaurants is considered as one of the best in the list of restaurants available for professional sandwich connoisseurs. It was originally established in 2017, and is a brand owned by THAD Trading Company.

Dank Restaurants

At Dank Restaurants we are aware that quality is the key to people's heart and that quality stability is a requirement of every service provider or commodity and indicates credibility at work. Quality starts with choosing a good supplier, going through all the stages until the customer delivers his preferred order. We believe the rule of good food is made in a good place.

Dank is distinguished from others by its high quality and bread ovens that provide the customer with an amazing sandwich experience at the hands of professional chefs, with meat, chicken, or shrimp as fillings, and unique sauces, salads, and appetizers are added to

Innovation

We always do our best to develop our business and understand our customers and their needs. We also work quickly to adapt to changes in the market to find solutions, improve performance, and maximize the creative capabilities of our employees, which positively affect our customers and enhance performance.

Superiority

We always strive for excellence in the completion of our work and provide the best levels of quality in our products because we believe that we must be the best in our field, and we believe that we always leave a good impression and be an example to follow.

Cooperation

We work in a team spirit, exchange knowledge and skills, cooperate transparently with each other and aim to create an unparalleled and diverse work environment so that our employees are the best.

Integrity

We Constantly live our values with honesty, sincerity, loyalty, and respect, with a commitment to doing what is integrated and correct and always striving to achieve distinguished results.

Our Philosophy

We go to great lengths to ensure that each of our products is fully compliant with the highest standards, and we continue to offer new and delicious products with complementary ingredients. Therefore we choose our varieties very carefully and make them within your reach so that you can enjoy their unique taste and high nutritional value.

At Dank, we work

Hard and tirelessly to be the number one destination for customers and for our products to be the best and an optimal choice to meet the needs of all consumers. We are also working to provide the best quality items that satisfy the taste of consumers and contribute positively to satisfying their desires.

Dank has been an important member of the Saudi restaurant market for more than four years, and our brand continues to shine in the forefront.
